Re: Freedom of Information Act Request EPA-R9-2015-008326

Dear Mr. Roth:

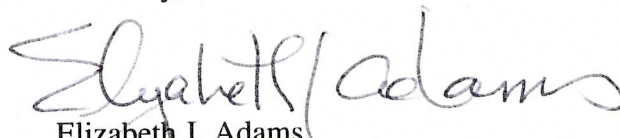

This letter is in response to your Freedom of Information Act request regarding certain documents related to Oceano Dunes and Nipomo Mesa, as well as EPA policy or guidance regarding agreements between a state agency and a local air pollution control district.

EPA has uploaded responsive, releasable documents to EPA's FOIA Online system found at <https://foiaonline.regulations.gov/foia/action/public/home>. To access the documents, reference your FOIA request as EPA-R9-2015-008326.

As communicated by Kara Christenson of our Office of Regional Counsel to you via email and telephone, the nature of your request requires EPA to conduct a centralized search of certain electronic records. EPA is in the process of conducting this search and will provide any additional responsive, releasable documents once this search process is complete.

If you have any questions, please contact Kara Christenson of the Office of Regional Counsel at (415) 972-3881.

Sincerely,

  
Elizabeth J. Adams  
Acting Director, Air Division
